**FACTORY TRAINED AND
AUTHORIZED SERVICE CENTER**

Chemineer offers local service by Factory Trained Service Technicians at CEJ's Authorized Chemineer Service Center.

REPAIR CAPABILITIES

CEJ has the experience and capability to repair Chemineer mixers from small DT units to the larger 20GT and HT units.

CEJ repairs include a one (1) year warranty.*

Our Factory Trained Service Technicians and Application Engineers have extensive diagnostic experience to identify and prevent further problems.

**Free from defects in materials and workmanship*
